## Product Description

### Merchandiser Base Cabinet Series

The FSASMCB Free standing arch side merchandiser slatwall fixture with undercounter storage space. This merchandiser base cabinet is a great addition to the Micro-Market Fixtures line-up. The mid-level counter top is perfect for positioning a point of sale kiosk or coffee service. The upper merchandising space allows for point of sale impulse items to be displayed front and center as customers utilize a self-pay kiosk for check out.

### High Quality Construction

This stand alone fixture is constructed of engineered particleboard and high pressure laminate and built with ¾" contoured side walls, slatwall main wall and base cabinet. The laminated counter top is included. The FSASMCB micro market fixture ships fully assembled. Ask

about the optional finished outside back panel, custom color combinations, special sizes and more. Though these fixtures are part of our modular design series each one is ready for customization upon request.

~ Custom sizes available

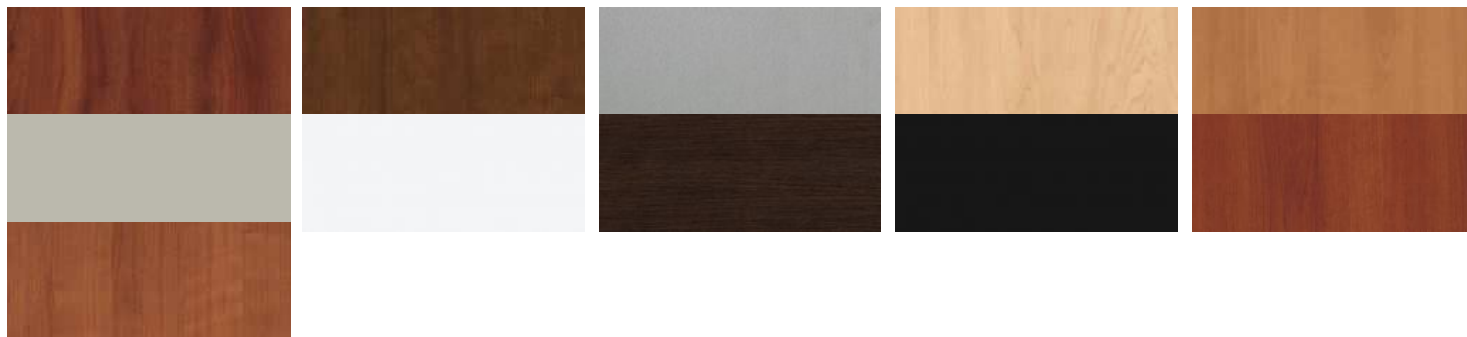

\*\* Alternate product arrangements: Please specify any hardware substitutions and/or hardware additions at the time of order, additional fees may apply.\*\*

Laminate Colors:

Tier 1 Colors: In stock!

Tier 2 Colors: In stock at our suppliers!
